CS 4920: Internship

Assignment 2 Midterm Report

Assignment

Students must submit a midterm progress report. The report must be a PDF document, and must contain the following information:

- Progress on learning objects.
- Updated learning objects (these tend to change over time).

The report will be reviewed by the instructor and may be discussed with the supervisor.

Due Date

Near the middle of the semester. Check Canvas for the exact date.

Submission

- Submit the PDF report to the Canvas assignment.
